22. Me vs Myself

Me, myself, and **I** may refer to the same person, but they are not interchangeable. **Myself** should be the one you hear the least, but it's often used incorrectly in place of **me**. **Me** is an object pronoun, which means that it refers to the person that the action of a verb is being done to, or to whom a preposition refers. They want me to study more. Tell me a story.
